2018 - PRESENT

- My responsibilities include receiving payments and issuing receipts, gift-wrapping packages, keeping track of all cash and credit transactions and stocking. The most important part of my job is to count and calculate subtotal and then audit it.

JUNIOR AUTO MECHANIC | NORTH ALBION COLLEGIATE INSTITUE |

2019 - 2020

- My responsibilities include maintaining weed-whackers, lawnmowers and small engines as well as repairing them. This mainly incorporates cleaning and inspecting lawn mowers and weed whackers for issues in the carburetor or the main engine.

Skills & Abilities

- Intermediate level proficiency in JavaScript, C++, C#, Python, Java, HTML/CSS.
- Advanced level proficiency in Circuitry, Logic Gates, Arduino, Raspberry PI, PC Building and Troubleshooting.
- proficiency in AutoCAD, Solidworks, Inventor and Fusion 360.

Activity

AV TEAM MEMBER | BAPS MANDIR | 2019 - PRESENT

- My responsibilities are setting up and running the sound and video equipment used to conduct conventions, tournaments, business conventions, and religious occasions. This also incorporates graphics for online events and testing the program.

ROBOTICS LEAD | NACI ROBOTICS 2935 | 2018 - 2020

- While being on the Robotics team, I was chosen to be part of the build, design, and programing team. Throughout my two years with my team, I led my rookie team to regionals, got a chance to mentor kids in middle school, received awards from competitions, and enhanced my public speaking skills at events to sponsors.
